Christmas Fundraising

Light up a Life: Switch on ceremony 7th December 6pm! The L&D's Christmas tree will soon be twinkling proudly at the hospital's Main Entrance for all patients, visitors and staff to see. You can buy a light as a gift for someone or in memory of a loved one. Lights cost £5 each or 3 for £10. Payment can be made by card to the Fundraising Team or you can download a form and send us a cheque.

Amazon Gift Lists: Spread some festive cheer this Christmas and give a gift to one of our patients. Many of our patients will be spending Christmas Day in hospital this year and sadly some of our patients won't have many visitors, if any. You can help spread some festive cheer by buying a present from our Amazon wish list. Once purchased, gifts will be delivered straight to the hospital. We have wish lists for all of our patients. Check out www.amazon.co.uk and search for 'Luton and Dunstable Hospital' in the wish list section.

Christmas Poster: Instead of sending Christmas cards to all your colleagues this year Why not take part in our Christmas Poster Campaign?! It's really easy!
Put one of our posters up in your staff room/kitchen area for everyone to see and Colleagues can sign the poster with festive wishes instead of sending each other card!
Everyone makes a small donation in lieu of the money you would spend on Christmas cards
And the money can benefit a ward or department of your choice.
