Coffee, Tea and Mints

After Dinner Speaker

Live Auction

Silent Auction

Live Entertainment

DJ and Disco

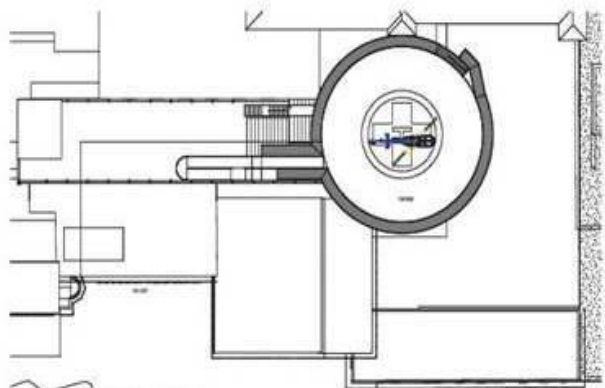

On Valentine's Day 2019 the Luton and Dunstable Hospital celebrates its 80th birthday. Created by the community for the community, this gala evening will celebrate this milestone event in the spectacular venue of the Luton Hoo Walled Garden. All funds raised by the evening will support the helipad appeal, which will create 24 hours a day landing facility to support the air ambulances of the region in delivering cutting edge emergency treatment for patients. The appeal hopes to have the helipad operational in 2021 and will help over 600 patients a year needing critical care. This is the largest community fundraising appeal by the hospital since its creation.

How you can support the event:

Buy a table – Tables of 10 cost from £2,500 and include all the above as part of the fantastic celebratory evening

Sponsorship – With 300 guests expected and local and national media coverage there are great opportunities to sponsor the evening from auction prizes to more prominent sponsorship packages.

To book your table or find out more about sponsorship opportunities available, please call 01582 718289 or email: fundraising@ldh.nhs.uk
