

Corporate Objectives

The L&D has five Corporate Objectives which enable staff to deliver the Strategic and Operational Plans:

- 1. Deliver the Quality Priorities outlined in the Quality Account** - improve patient safety and experience; deliver excellent clinical outcomes and prevent ill health
- 2. Deliver National Quality and Performance Targets** - deliver sustained performance and national mandated waiting times and indicators
- 3. Implement our Strategic Plan** - work collaboratively to deliver integrated care and progress plans to redevelop the hospital site
- 4. Secure and Develop a Workforce to meet the needs of our patients** - focus on retention; reduce the use of agency staff, deliver excellent teaching and research to staff and ensure a motivated workforce
- 5. Optimise our Financial Plan** - deliver the above objectives within the financial budget
