

### **Junior Doctor Online Induction**

Welcome to the Luton & Dunstable Hospital, as part of the Trust there are online modules that you are required to complete. All modules are accessible via your My ESR (<https://my.esr.nhs.uk>) account; logins will be located in your Welcome Letter. These can be done ahead of your start date with us.

### **Clinical / Pharmacy IT Systems**

Modules you will need to complete:-

- Mini MPI for Doctors v1
- Carestream Basics
- Evolve M1 v4 – Basics
- Evolve M2 v4 – Document Viewing Techniques
- Evolve M5 v4 – Printing Forms
- ICE M1 The Basics v1
- ICE M2 Reporting v1
- ICE M3 Requesting v3
- ICE M4 Discharge Letters v1
- ICE M5 Yellow Boards v1
- Bighand for Authors

**You will need to complete these modules before you start work in your clinical area. Relevant login and password details will be issued to you following completion.**

For help and support for access to the Clinical IT systems on completion of the courses or if you have any queries, please contact the IT Service Desk via email: [ITServiceDesk@ldh.nhs.uk](mailto:ITServiceDesk@ldh.nhs.uk) or ext: 8666.
